It is important that you understand that any information, statement or answer provided by you, to us, or to the insurer, is your responsibility and must be correct. Your attention is particularly drawn to the importance of the ticket terms, conditions of carriage and insurance conditions. Any failure to disclose facts material to the insurers, or any inaccuracies in your answers, may invalidate your insurance cover, in part, or in its entirety.

## Material Facts

Material Facts are matters or information which may influence the insurer as to the acceptability or otherwise of your risk and the terms your insurer may require. If you are in any doubt as to whether any information constitutes a Material Fact you must disclose it to us or the insurer. If any document is completed in whole or in part on your behalf, it is your responsibility to check that the answers given are true and complete. You are advised to keep copies of any correspondence or documentation sent to us for your own protection. Please do consult us if you are in doubt on any aspect.

## Awareness of Policy Terms

When a policy is issued you are strongly advised to read it carefully, as it is that document including the schedule and any certificate of insurance that is the basis of the insurance contract you have purchased. You should keep all policy documents for as long as it is possible to make a claim under the policy. If you are in doubt over any of the policy terms or conditions please seek our advice promptly. In particular, please pay attention to and make yourself aware of any exclusions and/or warranties which have been applied to your insurance, as failure to comply with them may invalidate your cover.
