

Supplier's Declaration of Compliance with Eurotunnel Requirements

Eurotunnel and the Supplier are party to a contract, concluded the _____
for: _____

1. The contract requires the Supplier to confirm its conformity with Getlink's compliance policies and procedures on commencement of the contract and throughout its duration.

2. The Supplier hereby declares that:

- it is aware of the Getlink's Code of Ethics and Conduct available on request or on Eurotunnel or Getlink websites, it respects its fundamental principles and has implemented equivalent principles within its organisation;
- it has submitted and kept up to date its obligations relating to the fight against illegal working;
- it has sufficient and appropriate procedures in place consistent with French and English national laws to combat bribery and corruption and modern slavery.

3. The Supplier also confirms that:

- it has submitted valid and up to date proof of insurances required under the contract;
- it has kept up to date its compliance with Eurotunnel's Health & Safety and Environmental requirements;
- it understands and acknowledges Eurotunnel site rules in force;
- it has informed Eurotunnel of any material changes to its compliance with these requirements.

4. The Supplier confirms and undertakes to ensure that its employees, agents, consultants and its subcontractors comply with the above-mentioned provisions.
