Insurer

Your Eurotunnel Le Shuttle Personal Travel Insurance is underwritten by AWP P&C SA and is administered in the United Kingdom by Allianz Assistance.

How your policy works

Your policy and confirmation or policy schedule issued by Eurotunnel Le Shuttle is a contract between you and us. We will pay for any claim you make which is covered by this policy and happens during the period of cover. Unless specifically mentioned, the benefits and exclusions within each section apply to each person insured.

Certain words have a special meaning as shown under the heading 'Definition of words'. These words have been highlighted by the use of bold print throughout the Personal Travel Insurance section of the policy.

Information you need to tell us

There is certain information that we need to know as it may affect the terms of the insurance cover we can offer you.

You must, to the best of your knowledge, give accurate answers to the questions we ask when you buy your Eurotunnel Le Shuttle travel insurance policy. If you do not answer the questions truthfully it could result in your policy being invalid and could mean that all or part of a claim may not be paid.

If you think you may have given us any incorrect answers, or if you want any help, please call +44 (0)3457 35 35 35 as soon as possible.

Cancellation rights

If your cover does not meet your requirements, please notify us within 14 days of receiving your confirmation or policy schedule number issued by Eurotunnel Le Shuttle for a refund of your premium.

You can contact Eurotunnel Le Shuttle travel insurance by phoning +44 (0)3457 35 35 35.

If during this 14 day period you have travelled, made a claim or intend to make a claim then we are entitled to recover all costs that you have used for those services.

Journey limits (annual multi-trip cover only)

Annual multi-trip cover is for short trips of 31 days or less per trip only. There is absolutely no cover offered by this policy whatsoever for trips which are longer than the 31 days per trip. This would include not insuring you for any part of a trip that is longer than 31 days in duration.

Policy excess

Under some sections of your policy, you will have to pay an **excess**. This means that you will be responsible for paying the first part of the claim. The amount you have to pay is the **excess**. The **excess** applies for each **person insured**, for each section, for each incident, although this will be limited to **£100 (£500 for Personal Liability - Section 10)** where:

- One claim relates to two or more members of the same **family** covered by this policy and living at the same address, or
- One incident results in you claiming under two or more sections.

Financial Services Compensation Scheme

For your added protection, the **insurer** is covered by the FSCS. You may be entitled to compensation from the scheme if the **insurer** cannot meet its obligations. This depends on the type of business and circumstances of the claim.

Insurance cover provides protection for 90% of the claim, with no upper limit.

Further information about the compensation scheme arrangements is available from the FSCS, telephone number **0800 678 100** or **020 7741 4100** or by visiting their website at www.fscs.org.uk.

Governing law

Unless agreed otherwise, English law will apply and all communications and documentation in relation to this policy will be in English. In the event of a dispute concerning this policy the English courts shall have exclusive jurisdiction.

Contracts (Rights of Third Parties) Act 1999

We, the **insurer** and you do not intend any term of this contract to be enforceable by any third party pursuant to the Contracts (Rights of Third Parties) Act 1999.

Extending the period of cover

If you or anyone travelling with you cannot finish their journey as planned because of death, injury or illness or there is a delay to the public transport system that cannot be avoided, we will extend your cover free of charge until you can reasonably finish your journey.

Reciprocal health arrangements

European Health Insurance Card (EHIC)

- The EHIC entitles **you** to reduced-cost, sometimes free, medical treatment that becomes necessary while **you** are in a European Economic Area (EEA) country or Switzerland. The EEA consists of the European Union (EU) countries plus Iceland, Liechtenstein and Norway.
- The card gives access to state-provided medical treatment only. Remember, this might not cover all the things **you** would expect to get free of charge from the NHS in the **UK**. **You** may have to make a contribution to the cost of **your** care.
- You** may apply for an EHIC online at www.dh.gov.uk/travellers or by calling 0300 330 1350.

Note

The EHIC does not cover the cost of medical treatment in a private hospital or clinic, the additional cost of returning to **your home** country or for a **relative** to stay or fly out to be with **you**. In a medical emergency **you** may have no control over the hospital **you** are taken to or the closest hospital may be private.

If **you** make use of this reciprocal health arrangement and it reduces **your** medical expenses, **you** will not have to pay an **excess**.

Health conditions and health exclusions

These apply to Cancellation or curtailment charges - Section 1, Emergency medical and associated expenses - Section 2 and Personal accident - Section 7.

It is very important that you read the following carefully as they apply to all people to be covered under the policy.

If at the time of purchasing this insurance or booking **your journey** (whichever is later) **you** have any existing medical conditions, **you** should discuss **your** travel plans in advance with **your doctor**.

- You** will be covered for claims arising directly or indirectly from any existing medical conditions, so long as **your doctor** can confirm that at the time of purchasing the insurance or booking the **journey** (whichever is later):
 - you** were fit to travel;
 - your** medical condition(s) were stable and there was no sign they would get worse;
 - you** had not been diagnosed as suffering from a terminal illness
 - you** did not know that **you** would need medical treatment or consultation at any medical facility during **your journey**;

If **you** need to make a claim arising directly or indirectly from any existing medical conditions, **your doctor** will be asked to confirm all of the above in writing.

- You** will not be covered if **you** travel against the advice of a **doctor** or where **you** would have been advised not to travel if **you** had asked for their advice before beginning **your journey**.
- You** will not be covered if **you** travel specifically for the purpose of obtaining and / or receiving any elective surgery, procedure or hospital treatment.

Changes in health for annual multi-trip customers

If **your** health changes after taking out this insurance and the change means that **your doctor** would no longer be able to confirm all the points listed under 1 above, **you** can:

- make a cancellation claim for any **journeys** booked before the change in health, or
- still travel on any pre-booked **journeys** or new **journey** bookings but this policy would not cover **you** for any medical and associated expenses, cancellation or curtailment or personal accident claims that are directly or indirectly related to any of **your** existing medical conditions, or
- cancel the policy and receive a proportionate refund so long as **you** have not made a claim or intend to make one.

Notes

Level of medical cover provided

This is not a private medical insurance policy and only gives cover for emergency medical treatment in the event of accident or unexpected illness occurring during **your journey**.

Annual multi-trip policy renewals

At the expiry of **your period of cover**, the terms of **your cover** and the premium rates may be varied by **us**. This means **we** cannot guarantee that **we** will be able to provide the same terms of cover on **your** renewed policy or even renew it at all. If **you** book a **journey** that does not start until after the expiry date of **your** policy, **you** may find that the cover provided for that **journey** will change when the policy renews.

Notes (continued)

Indirectly related claims

An indirectly related claim means a medical problem that is more likely to happen because of another medical problem **you** already have. Sometimes these conditions can lead to the development of other conditions. For example if **you**:

- suffer from asthma, chronic obstructive pulmonary disease or other lung disease, **you** are more likely to get a chest infection.
- have high blood pressure, high cholesterol or diabetes, **you** are more likely to have a heart attack or a stroke.
- have osteoporosis, **you** are more likely to break or fracture a bone.
- have or have had cancer, **you** are more likely to suffer with a secondary cancer.

General exclusions

The following exclusions apply to the whole of **your** policy:

We will not cover **you** for any claim arising from, or relating to, the following:

- War, invasion, act of foreign enemy, hostilities (whether war is declared or not) civil war, civil commotion, rebellion, revolution, insurrection, military force, coup d'etat, terrorism (this does not apply to claims under the Emergency medical and associated expenses - Section 2 and Personal accident - section 7) or weapons of mass destruction.
- Any epidemic or pandemic.
- You** not following any advice or recommendation made by the Foreign and Commonwealth Office, World Health Organisation or any government or other official authority. This includes where certain vaccinations or other preventative measures (such as malaria tablets) are recommended.
- Any **economic sanction** which prohibits **us**, the insurer or members of the Allianz Group from providing cover under this policy.
- Your** property being held, taken, destroyed or damaged under the order of any government or customs officials.
- Winter sports** (unless the appropriate premium has been paid).
- Ionising radiation or radioactive contamination from nuclear fuel or nuclear waste or any risk from nuclear equipment.
- Any currency exchange rate changes.
- The failure or fear of failure or inability of any equipment or any computer program, whether or not **you** own it, to recognise or to correctly interpret or process any date as the true or correct date, or to continue to function correctly beyond that date (except under the Emergency medical and associated expenses and Personal accident sections).
- You** acting in an illegal or malicious way.
- The effect of **your** alcohol, solvent or drug dependency or long term abuse.

We have the right to do the following:

- Cancel the policy if **you** tell **us** something that is not true, which influences **our** decision as to whether cover can be offered or not.
- Cancel the policy and make no payment if **you**, or anyone acting for **you**, make a claim under this policy knowing it to be dishonest, intentionally exaggerated or fraudulent in any way, or if **you** give any false declaration or deliberate mis-statement when applying for this insurance or supporting **your** claim. **We** may in these instances report the matter to the police.

This could include a request for **you** to be medically examined or for a postmortem to be carried out in the event of **your** death. **We** will not give personal information about **you** to any other organisation without **your** specific agreement.

- 7 Send **you home** at any time during **your journey** if **you** are taken ill or injured. **We** will only do this if the **doctor** treating **you** and **our** medical advisers agree. If there is a dispute, **we** will ask for an independent medical opinion.

In these circumstances **we** will only pay **our** share of the claim.
- 11 If **you** cancel or cut short **your journey** for any reason other than those specified in section 1 of this policy:

We will pay unused personal accommodation and other travel expenses based on each 24-hour period you have lost. European Breakdown Cover is underwritten by AWP P&C SA and is administered in the **United Kingdom** by Allianz Assistance.

We will pay for any claim **you** make which is covered by this policy and happens during the **period of cover**. Unless specifically mentioned, the benefits and exclusions within each section apply to each **insured vehicle**

We reserve the right to accept or refuse an application for new or extended cover.

What to do if you need assistance

Before **you** call anyone:

- 1 If possible try and stop in a safe place out of the way of traffic.
- 2 Switch on hazard warning lights and sidelights.
- 3 Place warning triangle behind vehicle in a clearly visible position
 - Roads: approximately 30 metres behind
 - European motorways: approximately 100 metres behind
 - UK motorways: do not use a warning triangle as this is illegal for safety reasons
- 4 Get all occupants to a place of safety away from moving traffic.

European autoroute restrictions:

Autoroutes in France and certain other European countries are privately managed, which prevents **us** from assisting **you** if **you** break down on the autoroute/service area.

- 1 If **you** can get to an emergency telephone box, please press the button and the police or authorised autoroute assistance service will send assistance to **your** location
- 2 If **you** are in France using a public phone, please dial 17 or, from a mobile phone, dial 112 (numbers may vary in other countries).
- 3 Once **you** have been towed off the autoroute/service area, call our 24-hour helpline for further assistance as soon as possible. Any costs incurred for recovery from the Autoroute can be claimed back from **us**.

Note

When driving in France it is compulsory to have a warning triangle, high visibility vest, spare bulbs, headlight kit and a breathalyser set. Other European countries also have requirements. To find out more, and to ensure **you** stay legal whilst driving abroad, please check before **you** travel.

What to do elsewhere in France or the rest of Europe:

Call our 24-hour Operations Centre for assistance –
UK +44 (0)20 8603 9467

For motor legal expenses:

Call our 24-hour legal helpline –
UK +44 (0)20 8603 9804

If you have had an accident:

If **you** have a road traffic accident, **you** must supply **your vehicle's** motor insurance details to **us** when **we** ask for this information. **You** must report the **accident** to **your** insurer as instructions for the repair, recovery or repatriation of **your vehicle** can only be taken from them.

If **you** do not supply **us** with the details of valid motor vehicle insurance, **we** reserve the right not to provide **you** with assistance.

Please be ready to tell us:

- 1 **Your** confirmation or policy schedule number and whether **you** have purchased Silver or Gold cover
- 2 **Your** exact location, if possible
- 3 A contact telephone number, if possible
- 4 **Your vehicle's** make, model and registration number
- 5 **Your** credit card details. These are only required for emergency vehicle hire or if **you** ask **us** to make arrangements on **your** behalf which are not covered by the policy or if arrangements exceed policy limits

Mobile phones and public telephones – Mobile phones are convenient but can be expensive. Even if **you** ask someone to call **you** back on **your** mobile, **you** may still have to pay for the call. **Your** supplier may also bill **you** for any calls made on a freephone number. These costs are not covered under **your** policy in any circumstances. Note: Mobile phone networks and coverage in Europe may at times be less stable than in the UK. It may be necessary to use landline telephones in certain locations. Public telephones may be coin or card operated, but card only telephones are increasingly common. Pre-paid cards can generally be purchased at post offices and tobacconists. In France only those phone boxes displaying the blue bell sign can receive incoming calls.

Checklist – Make sure that **you** have the following original documents and other items with **you** and have familiarised yourself with the Terms and Conditions of **your** policy.

- Credit/Debit card – see below
- Motor insurance certificate/Green Card (contact **your** motor insurer before taking a vehicle out of the UK to find out if **you** need a Green Card or to upgrade to fully comprehensive insurance)
- Vehicle registration document
- Driving licence – see below
- Spare set of car keys
- Passport
- Insurance confirmation or policy schedule issued by Eurotunnel Le Shuttle – see below
- International driving permit (where necessary)
- Check policy details are correct
- Read policy booklet

Don't forget

Always carry **your** insurance confirmation or policy schedule issued by Eurotunnel Le Shuttle. If **you** cannot provide a valid confirmation or policy schedule number, **we** reserve the right to refuse to arrange service and cover will not apply.

When **you** contact **us** for help it is important **you** follow the procedures **we** give **you**. If **you** contact a garage direct, **you** will have to settle their bill and **we** will be under no obligation to reimburse **you**. But see special note on calling for assistance from a motorway.

A credit card must be available if the emergency car hire benefit is used; the car hire company will validate **your** card and will ask for a security deposit. Debit cards are not accepted for this purpose.

A driving licence must be available if the emergency car hire benefit is used; the car hire company will expect to see **your** original driving licence.

Important limitations of service

There are differences between the service **you** normally receive with **your** regular domestic motor breakdown service and the service **we** are able to arrange for **you** when **you** are travelling overseas within Europe. The list below is not intended to be exhaustive nor does it replace the terms and conditions of the cover provided or other information given within this booklet. However, it will highlight some of the key areas and cultural differences.

- Eurotunnel Le Shuttle European Motor Breakdown Cover is not an extension of **your** regular domestic motor breakdown service into Europe but is subject to the terms and conditions as shown within this policy booklet.
- Roadside Assistance will usually be provided through a garage.
- European garage mechanics and patrols are unlikely to speak English. If **you** need help, call **us**.
- National holidays and working hours vary throughout Europe and are different to the UK. This will impact on the service **we** are able to provide to **you** especially during busy periods.
- Third party service providers including garages, repairers, recovery operators, car hire companies, etc are not approved by **us** and do not act as **our** agents.
- **We** cannot be held liable for any acts or omissions of any such garages or other third parties.
- Any advice regarding the cost of repairs provided by **us** will be indicative only and it is **your** responsibility to ensure that **you** have received and understood the quotation given by the repairer before agreeing to any work to be carried out.
- While **we** will try to source a replacement vehicle that meets **your** needs, **we** cannot guarantee replacement vehicles of a specific make, model or type. Please see page 50.
- If spare parts are not available locally, this will impact on the time taken for a repair.
- Any goods being carried remain **your** responsibility.
- **Your vehicle** will usually be brought back unaccompanied.
- Vehicle repatriation from Western Europe will take on average 8–14 working days. At busy periods and from further destinations, repatriation may take longer.
- We will not cover any additional costs incurred as a consequence of an animal travelling with **you** or **your party**.
- Nothing shall limit **our** liability to **you** in the event of death or serious injury caused by **our** negligence.

Motor vehicle insurance

Eurotunnel Le Shuttle European Motor Breakdown Cover is not motor vehicle insurance. It is **your** responsibility to check with **your** motor insurers to extend **your** motor vehicle insurance to provide overseas cover. Failure to do so may reduce **your** cover to the national legal minimum level of motor insurance in the countries **you** are visiting. If **you** have a road traffic accident, **you** must supply **your** motor vehicle insurance details to **us** when we ask for this information. The incident must be reported to the **insurer** as instructions for the repair, recovery or repatriation of **your vehicle** can only be taken from them. If **you** do not supply **us** with the details of valid motor vehicle insurance for **your vehicle** at any time when **we** ask **you** for this information, **we** reserve the right not to provide **you** with assistance. **You** must advise **us** if **your vehicle** has a mechanical warranty. While **we** will provide initial assistance at the roadside, it is **your** responsibility to ensure that any subsequent repairs are in accordance with and do not invalidate **your vehicle** warranty.

Your right to cancel

If **your** cover does not meet **your** requirements, please notify **us** within 14 days of receiving **your** confirmation or policy schedule number issued by Eurotunnel Le Shuttle for a refund of **your** premium.

You can contact Eurotunnel Le Shuttle travel insurance by phoning +44 (0)3457 35 35 35.

If during this 14 day period **you** have travelled, made a claim or intend to make a claim then **we** are entitled to recover all costs that **you** have used for those services.

Please note that **your** cancellation rights are no longer valid after this initial 14 day period.

Declaration

Eurotunnel Le Shuttle European Motor Breakdown Cover contains vehicle and health restrictions. **You** must be able to make the following declaration for yourself, anyone travelling with **you**, or anyone else on whom the trip may depend.

As far as I know the following apply:

- 1 (all sections)
 - a My vehicle is eligible for Eurotunnel Le Shuttle European Motor Breakdown Cover and has been regularly serviced and maintained according to the manufacturer's instructions and I am not aware of any electrical, mechanical or other vehicle problem which may interrupt my trip;

- 2 (Section 7 Only – Replacement Driver)
I am not aware of any pre-existing medical condition that could affect the ability of the main driver or drivers to drive my vehicle.

Note: **You** must tell **us** any facts **we** ask for in the declaration and which could affect this insurance. If **you** do not, **you** may not be fully covered. In particular, **you** must give **us** any information which may influence **our** decision to provide or continue **your** cover (for example, **your** health or that of the main driver(s)).
