Important information about your Personal Travel Insurance

You should read this policy carefully to make sure it provides the cover you need - your policy does not cover everything. If there is anything you do not understand you should contact Eurotunnel Le Shuttle travel insurance by phoning +44 (0)3457 35 35 35.

Insurer
Your Eurotunnel Le Shuttle Personal Travel Insurance is underwritten by AWP P&C SA and is administered in the UK by Allianz Assistance.

How your policy works
Your policy and confirmation or policy schedule issued by Eurotunnel Le Shuttle is a contract between you and us. We will pay for any claim you make which is covered by this policy and happens during the period of cover. Unless specifically mentioned, the benefits and exclusions within each section apply to each person insured.

Certain words have a special meaning as shown under the heading 'Definition of words'. These words have been highlighted by the use of bold print throughout the Personal Travel Insurance section of the policy.

Information you need to tell us
There is certain information that we need to know as it may affect the terms of the insurance cover we can offer you.

You must, to the best of your knowledge, give accurate answers to the questions we ask when you buy your Eurotunnel Le Shuttle travel insurance policy. If you do not answer the questions truthfully it could result in your policy being invalid and could mean that all or part of a claim may not be paid.

If you think you may have given us any incorrect answers, or if you want any help, please call +44 (0)3457 35 35 35 as soon as possible.

Cancellation rights
If your cover does not meet your requirements, please notify us within 14 days of receiving your confirmation or policy schedule number issued by Eurotunnel Le Shuttle for a refund of your premium.

You can contact Eurotunnel Le Shuttle travel insurance by phoning +44 (0)3457 35 35 35. If during this 14 day period you have travelled, made a claim or intend to make a claim then we are entitled to recover all costs that you have used for those services.

Please note that your cancellation rights are no longer valid after this initial 14 day period.

Policy excess
Under some sections of your policy, you will have to pay an excess. This means that you will be responsible for paying the first part of the claim. The amount you have to pay is the excess.

The excess applies for each person insured, for each section, for each incident, although this will be limited to £100 (£500 for Personal liability - Section 10) where:

- One claim relates to two or more members of the same family covered by this policy and living at the same address, or
- One incident results in you claiming under two or more sections.
Financial Services Compensation Scheme

For your added protection, the insurer is covered by the FSCS. You may be entitled to compensation from the scheme if the insurer cannot meet its obligations. This depends on the type of business and circumstances of the claim.
Insurance cover provides protection for 90% of the claim, with no upper limit.

Further information about the compensation scheme arrangements is available from the FSCS, telephone number 0800 678 100 or 020 7741 4100 or by visiting their website at www.fscs.org.uk.

Reciprocal health arrangements

European Health Insurance Card (EHIC)

• The EHIC entitles you to reduced-cost, sometimes free, medical treatment that becomes necessary while you are in a European Economic Area (EEA) country or Switzerland. The EEA consists of the European Union (EU) countries plus Iceland, Liechtenstein and Norway.

• The card gives access to state-provided medical treatment only. Remember, this might not cover all the things you would expect to get free of charge from the NHS in the UK. You may have to make a contribution to the cost of your care.

• You may apply for an EHIC online at www.dh.gov.uk/travellers or by calling 0300 330 1350.

Note

The EHIC does not cover the cost of medical treatment in a private hospital or clinic, the additional cost of returning to your home country or for a relative to stay or fly out to be with you. In a medical emergency you may have no control over the hospital you are taken to or the closest hospital may be private.

If you make use of this reciprocal health arrangement and it reduces your medical expenses, you will not have to pay an excess under Emergency medical and associated expenses - Section 2.

Health conditions and health exclusions

These apply to Cancellation or curtailment charges - Section 1, Emergency medical and associated expenses - Section 2 and Personal accident - Section 7.

It is very important that you read the following carefully as they apply to all people to be covered under the policy.

If at the time of purchasing this insurance or booking your journey (whichever is later) you have any existing medical conditions, you should discuss your travel plans in advance with your doctor.

1 You will be covered for claims arising directly or indirectly from any existing medical conditions, so long as your doctor can confirm that at the time of purchasing the insurance or booking the journey (whichever is later):
• you were fit to travel;
• your medical condition(s) were stable and there was no sign they would get worse;
• you had not been diagnosed as suffering from a terminal illness;
• you did not know that you would need medical treatment or consultation at any medical facility during your journey;
• you had made a claim arising directly or indirectly from any existing medical conditions, your doctor will be asked to confirm all of the above in writing.

2 You will not be covered if you travel against the advice of a doctor or where you would have been advised not to travel if you had asked for their advice before beginning your journey.

3 You will not be covered if you travel specifically for the purpose of obtaining and / or receiving any elective surgery, procedure or hospital treatment.

Changes in health for annual multi-trip customers

If your health changes after taking out this insurance and the change means that your doctor would no longer be able to confirm all the points listed under 1 above, you can:
• make a cancellation claim for any journeys booked before the change in health, or
• still travel on any pre-booked journeys or new journey bookings but this policy would not cover you for any medical and associated expenses, cancellation or curtailment or personal accident claims that are directly or indirectly related to any of your existing medical conditions, or
• cancel the policy and receive a proportionate refund so long as you have not made a claim or intend to make one.
We cannot guarantee that we will be able to provide the same terms of cover on your renewed policy or even renew it at all.

If you book a journey that does not start until after the expiry date of your policy, you may find that the cover provided for that journey will change when the policy renews.

Indirectly related claims
An indirectly related claim means a medical problem that is more likely to happen because of another medical problem you already have. Sometimes these conditions can lead to the development of other conditions. For example if you:
- suffer from asthma, chronic obstructive pulmonary disease or other lung disease, you are more likely to get a chest infection.
- have high blood pressure, high cholesterol or diabetes, you are more likely to have a heart attack or a stroke.
- have osteoporosis, you are more likely to break or fracture a bone.
- have or have had cancer, you are more likely to suffer with a secondary cancer.

General exclusions

The following exclusions apply to the whole of your policy:
We will not cover you for any claim arising from, or relating to,
your policy:

1. War, invasion, act of foreign enemy, hostilities (whether war is declared or not) civil war, civil commotion, rebellion, revolution, insurrection, military force, coup d'etat, terrorism (this does not apply to claims under the Emergency medical and associated expenses - Section 2 and Personal accident - section 7) or weapons of mass destruction.
2. Any epidemic or pandemic, except as expressly covered under Cancer cover - Section 1, Emergency medical and associated expenses - Section 2 and Winter sports cover – Section 16.
3. You not following any advice or recommendation made by the Foreign and Commonwealth Office, World Health Organization or any government or other official authority. This includes where certain vaccinations or other preventative measures (such as malaria tablets) are recommended.
4. Any economic sanction which prohibits us, the insurer or members of the Allianz Group from providing cover under this policy.
5. Your property being held, taken, destroyed or damaged under the order of any government or customs officials.
6. Ionising radiation or radioactive contamination from nuclear fuel or nuclear waste or any risk from nuclear equipment.

The failure or fear of failure or inability of any equipment or any computer program, whether or not you own it, to recognise or to correctly interpret or process any data as the true or correct date, or to continue to function correctly beyond that date (except under the Emergency medical and associated expenses and Personal accident sections).
9. You acting in an illegal or malicious way.
10. The effect of your alcohol, solvent or drug dependency or long term abuse.
11. You being under the influence of solvents or drugs, or doing anything as a result of using these substances (except drugs prescribed by a doctor but not for the treatment of drug or alcohol addiction).
12. You visiting your own country or not wanting to travel.
13. Any loss caused as a direct or indirect result of anything you are claiming for, for example loss of earnings, unless it says differently in the policy.

**Important information about your European Motor Breakdown Cover**

European Breakdown Cover is underwritten by AWP P&C SA and is administered in the United Kingdom by Allianz Assistance.

We will pay for any claim you make which is covered by this policy and happens during the period of cover. Unless specifically mentioned, the benefits and exclusions within each section apply to each insured vehicle.

We reserve the right to accept or refuse an application for new or extended cover.

---

**What to do if you need assistance**

**Before you call anyone:**
1. If possible try and stop in a safe place out of the way of traffic.
2. Switch on hazard warning lights and sidelights.
3. Place warning triangle behind vehicle in a clearly visible position
   - Roads: approximately 30 metres behind
   - European motorways: approximately 100 metres behind
   - UK motorways: do not use a warning triangle as this is illegal for safety reasons
4. Get all occupants to a place of safety away from moving traffic.

**European autoroute restrictions:**

 Autoroutes in France and certain other European countries are privately managed, which prevents us from assisting you if you break down on the autoroute/service area.

1. If you can get to an emergency telephone box, please press the button and the police or authorised autoroute assistance service will send assistance to your location.
2. If you are in France using a public phone, please dial 17 or, from a mobile phone, dial 112 (numbers may vary in other countries).
3. Once you have been towed off the autoroute/service area, call our 24-hour helpline for further assistance as soon as possible. Any costs incurred for recovery from the Autoroute can be claimed back from us.

**Note**

When driving in France it is compulsory to have a warning triangle, high visibility vest, spare bulbs, headlight kit and a breakaway set. Other European countries also have requirements. To find out more, and to ensure you stay legal whilst driving abroad, please check before you travel.

**What to do elsewhere in France or the rest of Europe:**

Call our 24-hour Operations Centre for assistance – UK: +44 (0)20 8603 9467

For motor legal expenses:

Call our 24-hour legal helpline – UK: +44 (0)20 8603 9804
If you have had an accident:
If you have a road traffic accident, you must supply your vehicle’s motor insurance details to us when we ask for this information. You must report the accident to your insurer as instructions for the repair, recovery or repatriation of your vehicle can only be taken from them.

If you do not supply us with the details of valid motor vehicle insurance, we reserve the right not to provide you with assistance. Please be ready to tell us:
1. Your confirmation or policy schedule number and whether you have purchased a driver or gold cover
2. Your exact location, if possible
3. A contact telephone number, if possible
4. Your vehicle’s make, model and registration number
5. Your credit card details. These are only required for emergency vehicle hire or if you ask us to make arrangements on your behalf which are not covered by the policy or if arrangements exceed policy limits

Mobile phones and public telephones – Mobile phones are convenient but can be expensive. Even if you ask someone to call you back on your mobile, you may still have to pay for the call. Your supplier may also bill you for any calls made on a freephone number. These costs are not covered under your policy in any circumstances. Note: Mobile phone networks and coverage in Europe may at times be less stable than in the UK. It may be necessary to use landline telephones in certain locations. Public telephones may be coin or card operated, but card only telephones are increasingly common. Pre-paid cards can generally be purchased at post offices and tobacconists. In France only those phone boxes displaying the blue bell sign can receive incoming calls.

Checklist – Make sure that you have the following original documentation and other items with you and have familiarised yourself with the Terms and Conditions of your policy.
• Credit/Debit card – see below
• Motor Insurance certificate/Green Card (contact your motor insurer before taking a vehicle out of the UK to find out if you need a Green Card or to upgrade to fully comprehensive insurance)
• Vehicle registration document
• Driving licence – see below
• Spare set of car keys
• Passport
• Insurance confirmation or policy schedule issued by Eurotunnel Le Shuttle – see below
• International driving permit (where necessary)
• Check policy details are correct
• Read policy booklet

Don’t forget
Always carry your insurance confirmation or policy schedule issued by Eurotunnel Le Shuttle. If you cannot provide a valid confirmation or policy schedule number, we reserve the right to refuse to arrange service and cover will not apply.

When you contact us for help it is important you follow the procedures we give you. If you contact a garage direct, you will have to settle their bill and we will be under no obligation to reimburse you. But see special note on calling for assistance from a motorway.

A credit card must be available if the emergency car hire benefit is used; the car hire company will validate your card and will ask for a security deposit. Debit cards are not accepted for this purpose.

A driving licence must be available if the emergency car hire benefit is used; the car hire company will expect to see your original driving licence.

Important limitations of service
There are differences between the service you normally receive with your regular domestic motor breakdown service and the service we are able to arrange for you when you are travelling overseas within Europe. The list below is not intended to be exhaustive nor does it replace the terms and conditions of the cover provided or other information given within this booklet. However, it will highlight some of the key areas and cultural differences.
• Eurotunnel Le Shuttle European Motor Breakdown Cover is not an extension of your regular domestic motor breakdown service into Europe but is subject to the terms and conditions as shown within this policy booklet.
• Roadside Assistance will usually be provided through a garage.
• European garage mechanics and patrols are unlikely to speak English. If you need help, call us.
• National holidays and working hours vary throughout Europe and are different to the UK. This will impact on the service we are able to provide to you especially during busy periods.
• Third party service providers including garages, repairers, recovery operators, car hire companies, etc are not approved by us and do not act as our agents.
• We cannot be held liable for any acts or omissions of any such garages or other third parties.
• Any advice regarding the cost of repairs provided by us will be indicative only and it is your responsibility to ensure that you have received and understood the quotation given by the repairer before agreeing to any work to be carried out.
• While we will try to source a replacement vehicle that meets your needs, we cannot guarantee replacement vehicles of a specific make, model or type. Please see page 50.
• If spare parts are not available locally, this will impact on the time taken for a repair.
• Any goods being carried remain your responsibility.
• Your vehicle will usually be brought back unaccompanied.
• Vehicle repatriation from Western Europe will take on average 8-14 working days. At busy periods and from further destinations, repatriation may take longer.
• We will not cover any additional costs incurred as a consequence of an animal travelling with you or your party.
• Nothing shall limit our liability to you in the event of death or serious injury caused by our negligence.

Motor vehicle insurance
Eurotunnel Le Shuttle European Motor Breakdown Cover is not motor vehicle insurance. It is your responsibility to check with your motor insurer before taking a vehicle out of the UK to find out if you need a Green Card or to upgrade to fully comprehensive insurance. Failure to do so may reduce your cover to the national legal minimum level of motor insurance in the countries you are visiting. If you have a road traffic accident, you must supply your motor vehicle insurance details to us when we ask for this information. The incident must be reported to the insurer as instructions for the repair, recovery or repatriation of your vehicle can only be taken from them. If you do not supply us with the details of valid motor vehicle insurance for your vehicle at any time when we ask you for this information, we reserve the right not to provide you with assistance. You must advise us if your vehicle has a mechanical warranty. While we will provide initial assistance at the roadside, it is your responsibility to ensure that any subsequent repairs are in accordance with and do not invalidate your vehicle warranty.

Your right to cancel
If your cover does not meet your requirements, please notify us within 14 days of receiving your confirmation or policy schedule number issued by Eurotunnel Le Shuttle for a refund of your premium.

You can contact Eurotunnel Le Shuttle travel insurance by phoning +44 (0)3457 35 35 35.

If during this 14 day period you have travelled, made a claim or intended to make a claim then we are entitled to recover all costs that you have used for those services.

Please note that your cancellation rights are no longer valid after this initial 14 day period.

Declaration
Eurotunnel Le Shuttle European Motor Breakdown Cover contains vehicle and health restrictions. You must be able to make the following declaration for yourself, anyone travelling with you, or anyone else on whom the trip may depend.

As far as I know the following apply:

1. (all sections)
   a. My vehicle is eligible for Eurotunnel Le Shuttle European Motor Breakdown Cover and has been regularly serviced and maintained according to the manufacturer’s instructions and I am not aware of any electrical, mechanical or other vehicle problem which may interrupt my trip;
   b. If my vehicle is specially adapted for me or for any member of my party, I will make the insurer aware of this at the time of the request for assistance.

2. (Section 7 Only – Replacement Driver)
   I am not aware of any pre-existing medical condition that could affect the ability of the main driver or drivers to drive my vehicle.

Note: You must tell us any facts we ask for in the declaration and which could affect this insurance. If you do not, you may not be fully covered. In particular, you must give us any information which may influence our decision to provide or continue your cover (for example, your health or that of the main driver(s)).
Definition of words

When the following words and phrases appear in the policy, they have the meanings given below. These words are highlighted by the use of bold print.

Accident
An incident which has rendered your vehicle undriveable or unsafe to drive.

Annual multi-trip cover
Where purchased, provides cover for an unlimited number of motoring trips in your vehicle within the dates specified on your confirmation or policy schedule issued by Eurotunnel Le Shuttle. An eligible caravan or trailer, which is being towed, may be covered at an extra premium. Each trip must not exceed 31 days duration in total. This period runs from the time you leave home to your return home. We will only accept up to three separate assistance requests within your period of cover. This is designed to protect the majority of customers by making sure excessive use by a small minority is avoided. If you reach this limit of three separate assistance requests, we reserve the right to refuse to give any further assistance requests and/or to refuse to provide any further assistance during the period of cover (at your home or other address). If the vehicle is stranded on the highway as a result of breakdown or accident, Eurotunnel Le Shuttle European Motor Breakdown Cover ("the cover") will provide, within the Geographical Limits, subject to all relevant terms, conditions and exclusions contained in this booklet, for the arrangement of emergency roadside assistance and, where appropriate, vehicle repatriation to the UK, emergency alternative travel or emergency accommodation assistance and legal expenses for you and your party.

The overall claim limit for Le Shuttle European Motor Breakdown cover per party, per trip is £2,000 for Silver cover or £3,000 for Gold cover. This excludes Vehicle repatriation - Section 6, Legal expenses - Section 9 and, if purchased, Parts and additional labour - Section 10).

Maximum duration of hire is 10 days in total (including up to 7 days hire prior to departure, and any subsequent days car hire abroad). NOTES

- We reserve the right to refuse to provide or arrange breakdown assistance services if you are not present at the scene of the breakdown or accident. |
- If we cannot arrange for a garage to accept our guarantee of costs, we will ask you to pay for any repairs undertaken at the time and reclaim insured costs when you return home. |
- We cannot guarantee that any tow to a local repairer will be within opening hours or that the repairer will be available to undertake any necessary repair immediately. |
- Please pay careful attention to the notes on pages 41-42 – Important Limitations of Service – regarding the nature of our relationship with the third party service providers such as garages, repairers and recovery agents. |
- If you insist on authorising lengthy or expensive repairs contrary to our advice, we reserve the right to refuse any further service. |
- You may have to pay the labour costs directly to the repairing garage and claim these back when you return home (please see the 'Claims procedure and conditions' section on pages 61-62). You will have to pay for labour costs over £100 and the costs of parts. |

**Location and despatch of spare parts - Section 3**

**WHAT YOU ARE COVERED FOR**

We will pay for the location and delivery costs of spare part(s) needed to complete repairs overseas if these parts cannot be sourced locally by the repairing garage.

**WHAT YOU ARE NOT COVERED FOR**

1 Any cost of replacement part(s), tyres, body glass, fuel, lubricants or other fluids, keys or other materials. |
2 Anything mentioned as not covered under Section 2 Roadside Assistance and Emergency Repair. |

NOTES

- Any advice regarding the cost of repairs provided by us will be indicative only and if it is your responsibility to ensure that you have received and understood the quotation given by the repairer before agreeing to any work to be carried out. |
  - If you are not the owner of the vehicle, you must check with the owner before you authorise any repairs. |
  - Repair costs can vary from those in the UK and may be more expensive. |
  - Before you pay the bill and take your vehicle away from the garage, check the work carefully to make sure it is satisfactory. Report any problem to us immediately, while you are still overseas, as it may be very difficult for you to have a faulty repair corrected or to get any rework after you have paid the bill and returned home. |
  - If the garage cannot complete the repairs within 8 hours or until after your planned return home, you must contact us to discuss your options. You must keep in touch with us to confirm any further entitlements under the benefits. |
  - If your vehicle has left the highway and you ask for assistance when it is in a ditch, standing on soft ground, sand or shingle, or stuck in water or snow, any recovery to a place of safety we arrange for you will be at your cost. |

We will also cover any reasonable storage charges incurred in the repatriation. We may, at our discretion and depending on circumstances, arrange and agree with you an alternative method of repatriation and cover reasonable costs, as follows:

- If repairs are started but not completed before your planned return home, we will arrange with you and pay for one person’s reasonable travel and accommodation costs to go directly overseas to collect your vehicle.
- If the treating doctor overseas certifies in writing that the only driver in your party is unfit to drive, we will arrange and pay for a replacement driver (but excluding the cost of fuel and tolls) to bring your vehicle home. When bringing your vehicle home, we may also at our discretion transport those members of your party who are fit to return and for whom there are enough seats, taking into account that used by the replacement driver.

Note: all costs met under this section (but excluding the cost of unaccompanied vehicle repatriation) form part of the Eurotunnel Le Shuttle European Motor Breakdown Cover overall claim limit as shown on pages 38 and 39.
