## **IMPORTANT INFORMATION**

### **What service do we provide?**

Eurotunnel Le Shuttle is not permitted to give insurance advice or a recommendation but can arrange Personal Travel / Motor Breakdown policies that customers agree are suitable for their needs

Eurotunnel Le Shuttle insurance policies are typically suitable for customers wishing to insure themselves and/or their vehicle for their chosen travel arrangements.

You may already possess alternative travel insurance / breakdown cover for some or all of the features and benefits provided by the products and it is your responsibility to investigate this.

### **Reciprocal Health Arrangements**

The **European Health Insurance Card (EHIC)** entitles you to reduced-cost, sometimes free, medical treatment that becomes necessary while you are in a European Economic Area (EEA) country, Switzerland, Iceland, Liechtenstein or Norway.

You may apply for an EHIC online at [www.ehic.org.uk](http://www.ehic.org.uk) or by calling **0300 330 1350**.

The EHIC does not cover the cost of medical treatment in a private hospital or clinic, the additional cost of returning to your home country or for a relative to stay or fly out to be with you. In a medical emergency you may have no control over the hospital you are taken to or the closest hospital may be private.

See the Eurotunnel Insurance [policy terms and conditions](#) for further details.

### **The Insurance Principle of Contribution**

The underwriter reserves the right not to pay a claim on this policy (except under the Personal accident section) for any amounts covered by another insurance, or by anyone or anywhere else, for example any amounts recoverable from private health insurance, any reciprocal health agreements, transport or accommodation provider, home contents insurer or any other claim amount you may recover. In such circumstances the underwriter will only pay a share of the claim.
