IMPORTANT INFORMATION

What service do we provide?

Eurotunnel Le Shuttle is not permitted to give insurance advice or a recommendation but can arrange Personal Travel / Motor Breakdown policies that customers agree are suitable for their needs. Eurotunnel Le Shuttle insurance policies are typically suitable for customers wishing to insure themselves and/or their vehicle for their chosen travel arrangements. You may already possess alternative travel insurance / breakdown cover for some or all of the features and benefits provided by the products and it is your responsibility to investigate this.

Reciprocal Health Arrangements

The European Health Insurance Card (EHIC) entitles you to reduced-cost, sometimes free, medical treatment that becomes necessary while you are in a European Economic Area (EEA) country, Switzerland, Iceland, Liechtenstein or Norway.

You may apply for an EHIC online at www.ehic.org.uk or by calling 0300 330 1350.

The EHIC does not cover the cost of medical treatment in a private hospital or clinic, the additional cost of returning to your home country or for a relative to stay or fly out to be with you. In a medical emergency you may have no control over the hospital you are taken to or the closest hospital may be private.

See the Eurotunnel Insurance policy terms and conditions for further details.

The Insurance Principle of Contribution

The underwriter reserves the right not to pay a claim on this policy (except under the Personal accident section) for any amounts covered by another insurance, or by anyone or anywhere else, for example any amounts recoverable from private health insurance, any reciprocal health agreements, transport or accommodation provider, home contents insurer or any other claim amount you may recover. In such circumstances the underwriter will only pay a share of the claim.

Personal Travel Insurance Declaration

Health Conditions and Health Exclusions

These apply to ‘Cancellation and curtailment charges - Section 1’, Emergency medical and associated expenses - Section 2’ and ‘Personal accident - Section 7’.

It is very important that you read the following carefully as they apply to all people to be covered under the policy.

If at the time of purchasing this insurance or booking your journey (whichever is later), you have any existing medical conditions you should discuss your travel plans in advance with your doctor.

1. You will be covered for claims arising directly or indirectly from any existing medical conditions, so long as your doctor can confirm that at the time of purchasing the insurance or booking the journey (whichever is later):
   - You were fit to travel
   - Your medical condition(s) were stable and there was no sign they would get worse
   - You had not been diagnosed as suffering from a terminal illness
   - You did not know that you would need medical treatment or consultation at any medical facility during your journey

   If you need to make a claim arising directly or indirectly from any existing medical conditions, your doctor will be asked to confirm all of the above in writing.

2. You will not be covered if you travel against the advice of a doctor or where you would have been advised not to if you had asked for their advice before beginning your journey.

3. You will not be covered if you travel specifically for the purpose of obtaining and/or receiving any elective surgery, procedure or hospital treatment.

Changes in health for annual multi-journey customers

If your health changes after taking out this insurance and the change means that your doctor would no longer be able to confirm all the points listed under 1 above, you can:

   - make a cancellation claim for any journeys booked before the change in health, or
   - still travel on any pre-booked journeys or new journey bookings but this policy would not cover you for any medical and associated expenses, cancellation or curtailment or personal accident claims that are directly or indirectly related to any of your existing medical conditions, or
   - cancel the policy and receive a proportionate refund so long as you have not made a claim or intend to make one.

Annual multi-journey policy renewals

At the expiry of your period of insurance, the terms of your cover and the premium rates may be varied by us. This means we cannot guarantee that we will be able to provide the same terms of cover on your renewed policy or even renew it at all.

If you book a journey that does not start until after the expiry date of your policy, you may find that the cover provided for that journey will change when the policy renews.
You understand that where the insurance requires supply of information relating to other persons who may be insured under the contract, the information must be factual and accurate to enable correct assessment of risk by the insurer. You confirm that you have the consent of these individuals to supply their personal details to the insurer.

**Motor Breakdown Cover - Declaration**

As far as you know the following apply:

1. a) your vehicle is 14 years of age or under, within the vehicle dimensions listed in the policy terms and conditions and has been regularly serviced and maintained according to the manufacturer’s instructions; and

   b) If you have purchased Eurotunnel Motor Breakdown GOLD – your vehicle is 10 years of age or under (under 11 years old during the period covered by the policy)

   c) you are not aware of any electrical, mechanical or other vehicle problem which may interrupt your trip; and

   d) if you intend to tow a trailer or caravan, you will make Eurotunnel aware of this and pay the additional supplement required.

2. You are not aware of any pre-existing medical conditions that could affect the ability of the main driver or drivers to drive the vehicle.
